RICHARD MORRIS HUNT,

OFFICE OF:-
Ogden Goelet Esq.,

9 West 17th., St., N.Y.,

Dear Sir:-

In re: your residence at Newport, R.I.,

Our Mr. Dixon, upon his return from Newport, reports that your house-keeper stated to him that when the Frenchman got through with their work, she was going to shut up the house entirely----this will badly interfere with work that I have under way and I must ask that some proper provision be made for men to go into the building, take measurements, put up their work etc., etc., As directed by Mr. Goelet I have awarded contracts to various parties and it is most important that the work should progress without delay.

Please write me upon receipt of this that you will take proper steps to have the house kept open, i.e., as far as necessary to accomplish our work.

Very respectfully yours,
